Operiamo ormai da tre generazioni nel settore delle sedute e dei tavoli per ristoranti, bar, alberghi, navi e collettività in generale, con una continua ricerca nel campo della progettazione e del design per proporre prodotti rispondenti alle esigenze di un mercato sempre più esigente e qualificato.

I nostri prodotti, grazie all'utilizzo di materiali scelti e all'adozione di tecniche di costruzione all'avanguardia, sono funzionalmente perfetti, esteticamente piacevoli e, allo stesso tempo, di lunga durata. La nostra estrema flessibilità e la capacità di adattarci alle esigenze del cliente, ci consente di risolvere praticamente ogni richiesta.

*We have been operating for three generations in the manufacture of seatings and tables for restaurants, bars, hotels, ships and communal facilities in general. We carry out continuous research in planning and design to propose products which always respond to the requirements of an increasingly demanding and qualified market.*

*Our use of choice materials and the adoption of first-rank constructions techniques enables us to offer products which are functionally perfect, aesthetically attractive and long-lasting.*

*Our extreme flexibility and skill adapting to the requirements of the customer also enables us to resolve the practical aspects of all requests.*

Seit drei Generationen beschäftigen wir uns mit Sitzmöbeln und Tischen für Restaurants, Bars, Hotels, Schiffe und Großprojekte im allgemeinen. Wir waren stets bemüht, durch intensive Studien eine Weiterentwicklung von Technik und Design unserer Entwürfe zu erreichen, um den Bedürfnissen eines immer anspruchsvolleren, qualifizierten Marktes zu entsprechen. Dank der Anwendung fortschrittlichster Konstruktionstechniken sind unsere Produkte höchst zweckmäßig, optisch ansprechend und gleichzeitig äußerst haltbar.

Durch unsere hohe Flexibilität und Anpassungsfähigkeit an die Bedürfnisse der Benutzer, sind wir in der Lage praktisch alle Ansprüche zu erfüllen.

*Nous opérons désormais depuis trois générations dans le secteur des sièges et tables pour restaurants, hôtels, paquebots et collectivités en général, avec une recherche permanente sur le plan du projet et du design pour proposer des produits répondant aux besoins d'un marché de plus en plus exigeant et qualifié. Comme nous utilisons des matériaux de choix et des techniques de fabrication d'avant-garde, nos produits correspondent exactement à l'usage que l'on doit en faire; ils sont agréables à voir et résistants à l'usure du temps, en même temps.*

*La grande flexibilité qui caractérise notre production et notre capacité d'adaptation aux exigences du client nous permet de trouver des solutions pratiques à tous les problèmes.*
