TRY ME

Our bespoke Collections

Fashion, perfumery, art, design and architecture: this is La Bottega's special creative alchemy, a total Italian philosophy.

The art of combining tailored solutions with modern technologies and Italian inspirations with international flair make the experience with La Bottega unique. We believe that every venue tells a story. If one listens very carefully, the heritage and the surrounding mood of a property will speak to the inspired soul. At La Bottega, we are the storytellers that unveil such hidden tales and turn them into an intimate experience between a property and its guests. An iconic name, an emblematic number, a special date, a treasured memory, a faded picture: the sky is the limit when it comes to evoking emotions, to creating a compelling scent, a bespoke packaging and a unique mood.

We are the couturiers of the hotel world.
